Mobile: +91-8142682241   **Email:** chittelasreehari18001@gmail.com

LinkedIn: linkedin.com/in/srihari-chittela-11b2241b7   **GitHub:** github.com/sri1800

- **Dedicated Full Stack Java Developer** with 3+ years of experience in software development, IT operations, and technical support. Skilled in developing scalable web applications using Java, Spring Boot, and modern frontend frameworks like React and Angular. Strong in problem-solving, database optimization, and deployment using Docker. Actively seeking to contribute technical expertise to innovative and impactful projects.

TECHNICAL SKILLS

- **Frontend:** HTML, CSS, Bootstrap, JavaScript, Angular
- **Backend:** Java, JDBC, Hibernate, Servlets, JSP, Spring, Spring Boot , Spring Security
- **Databases:** SQL, MySQL, H2, Firebase.
- **Deployment/Tools:** Docker, Render, Git, GitHub, Netlify, Postman

WORK EXPERIENCE & TRAINING

Trysol Global Solutions (Hyderabad)
Associate Software Engineer   **July 2025 –present**

- **On Bench**

TalentXP (Hyderabad)
Full Stack Java Developer(Intern)   **January 2024 –June 2025**

- Collaborated on a web-based user management system using Spring Boot and MySQL.
- Developed REST APIs for user registration, Todo management, and admin functionalities.
- Integrated JWT-based authentication and role-based authorization to secure API endpoints and manage user access levels.
- Built dynamic frontend interfaces using Angular, enhancing user experience and enabling real-time interaction with backend services.
- Applied Git for version control, used Postman for testing, and deployed projects on **Render** using **Docker**.

BORDER SECURITY FORCE (BSF- Jammu Kashmir)
Developer (Constable)   *December 2022 – August 2024*

- Developed a Duty Allocation System using Spring Boot, Java, MySQL, and Angular with secure authentication via JWT.
- Built and consumed RESTful APIs, tested using Postman, to handle dynamic duty assignments and service record management.
- Containerized the application using Docker for consistent deployment and environment management.
- Optimized database queries and implemented role-based access control to ensure high performance and security

TATA CONSULTANCY SERVICES (TCS-Chennai)
Programmer – Java   *September 2021 – December 2022*

- Maintained and supported manufacturing domain application which is responsible for order tracking, priority analyzing and dashboard visualization for workers to seamlessly manufacture the end product.
- Monitor, analyze, and resolve application issues within defined SLAs.
- Monitored database performance and executed necessary optimizations.
- Generate monthly reports on system health, issue resolution, and performance metrics.

EDUCATION

Qualification	Institution	Board/University	Result	Year
B.Sc (M.P.CS)	Silver Jubilee Govt. Degree College (A), Kurnool	Rayalaseema University	**9.29(CGPA)**	2018-21
Intermediate	NRI Junior College, Eluru	BIEAP	**95.9%**	2016-18
X Class	St. Xavier's EM High School, Eluru	SSC	**9.3(CGPA)**	2015-16

Personal Details

- **Father's Name:** Chittela DurgaRao
- **Date of Birth:** August 18, 2000
- **Marital Status:** Single
- **Languages Known:** English, Telugu, Hindi

Declaration

The above-mentioned details are true to the best of my knowledge.

Place : Hyderabad
